

# Life Just Got Easier!

## Group Purchasing Power for Employers of ANY Size

ADDRESSING THE NEED OF BUSINESSES EVERYWHERE TO FIND  
AFFORDABLE SOURCES FOR PRESCRIPTION DRUGS AND LOW COST MEDICAL PLANS.

RxRegistry is an online association for employers of any size. We provide our members access to low-cost prescription pharmacy services as well as other valuable products, services and solutions that make life easier for our members.

- Convenient Access to Low-Cost Medications
- Access to Affordable Insurance Offerings
- Improve Employee Loyalty and Retention
- Benefit Enrollment Solutions

“ *Not only are our solutions affordable, but they assist our members in finding and keeping happy employees.* ”

Our members have direct access to Humana RightSourceRx Pharmacy solutions, one of the premier on-line pharmacies in the country. In addition, our members are empowered to leverage group purchasing capabilities, granting them an avenue to insurance benefits they might not ordinarily be able to access. This, in turn, allows them to provide their employees with low-cost limited medical benefits through TransAmerica/AEGON.
